Effective as of January 1, 2023

New Haven Promise (“New Haven Promise”, “we”, or “us”) operates a mobile messaging program (“our SMS”) subject to these Mobile Messaging Terms and Conditions (the “Mobile Messaging Terms”). Our SMS and our collection and use of your personal information is also subject to our Privacy Policy. By enrolling, signing up, or otherwise agreeing to participate in our SMS, you accept and agree to these Mobile Messaging Terms and our Privacy Policy.

1. Our SMS Description: We may send informational and promotional mobile messages through our SMS, which may include event signup notifications, program requirements and benefits information, status and actions required for the program you’ve signed up for, and other program related information etc. Mobile messages may be sent using an automated technology. Message frequency will vary but will not exceed 15 messages per month. You agree that we, our affiliates, and any third-party service providers may send you messages regarding the foregoing topics or any topic and that such messages and/or calls may be made or placed using different telephone numbers or short codes. We do not charge for mobile messages sent through our SMS but you are responsible for any message and data rates imposed by your mobile provider, as standard data and message rates may apply.

2. User Opt-In: By providing your mobile phone number to us, you are voluntarily opting in to our SMS and you agree to receive recurring mobile messages from us at the mobile phone number associated with your opt-in, even if such number is registered on any state or federal “Do Not Call” list. You agree that any mobile phone number you provide to us is a valid mobile phone number of which you are the owner or authorized user. If you change your mobile phone number or are no longer the owner or authorized user of the mobile phone number, you agree to promptly notify us at info@newhavenpromise.org. Your participation in our SMS is completely voluntary.

3. User Opt-Out and Support: You may opt-out of our SMS at any time. If you wish to opt-out of our SMS and stop receiving mobile messages from us, or you no longer agree to these Mobile Messaging Terms, reply STOP, QUIT, CANCEL, OPT-OUT, and/or UNSUBSCRIBE to any mobile message from us. You may continue to receive text messages for a short period while we process your request and you may receive a one-time opt-out confirmation message. You understand and agree that the foregoing is the only reasonable method of opting out. For support, reply HELP to any mobile message from us.

Our mobile messaging platform may not recognize requests that modify the foregoing commands, and you agree that we and our service providers will not be liable for failing to honor requests that do not comply with the requirements in these Mobile Messaging Terms. We may also change the telephone number or short code we use to operate our SMS and we

will notify you of any such change. You acknowledge that any requests sent to a telephone number or short code that has been changed may not be received by us and we will not be responsible for failing to honor a request sent to a telephone number or short code that has been changed.

4. Disclaimer of Warranty and Liability: Our SMS is offered on an “as-is” basis and may not be available in all areas, at all times, or on all mobile providers. You agree that neither we nor our service providers will be liable for any failed, delayed, or misdirected delivery of any mobile message or information sent through our SMS.

5. Modifications: We may modify or cancel our SMS or any of its features at any time, with or without notice. To the extent permitted by applicable law, we may also modify these Mobile Messaging Terms at any time. Any such modification will take effect when it is posted to our website. You agree to review these Mobile Messaging Terms periodically to ensure that you are aware of any modifications. Your continued participation in our SMS will constitute your acceptance of those modifications.
